Subject: Parent Permission to Leave Campus

Dear Parents,

I am very concerned about the safety of the students who walk in the afternoon from school. Please mark an option below either granting or denying permission for your child to officially walk off campus in the afternoon after the bell rings. You must sign the form and return it to the office. Your child will **not** be allowed to leave campus as a walker until we have this form officially signed by you.

____ Yes, my child has permission to leave campus as a walker in the afternoon. I understand that once my child leaves campus in the afternoon, they may not return. I also understand that St. Bernard Catholic School assumes no responsibility for my child once he or she leaves campus.

____ No, my child may not leave campus as a walker.

If your child leaves campus without signed permission, he or she will be referred to my office for disciplinary action.

Thank you for your cooperation!
